

HEALTHPATHWAYS SOUTH AUSTRALIA PORTAL IS GOING LIVE ON 26 MARCH 2018.

SA Health, Adelaide PHN and Country SA PHN are pleased to announce the HealthPathways portal will be available to GPs and health professionals across South Australia from 26 March 2018.

HealthPathways is a free web based portal that gives GPs and health professionals quick access to the latest clinical information and resources relevant to patient care.

HealthPathways provides:

- evidence based information on assessment and management of specific health conditions
- local referral pathways and criteria
- relevant patient resources

We encourage all GPs and health professionals in South Australia to go to the HealthPathways South Australia project site to register for a login and to find out more about the program
