

Viewing an eHealth Record

Before undertaking these steps, please ensure that:

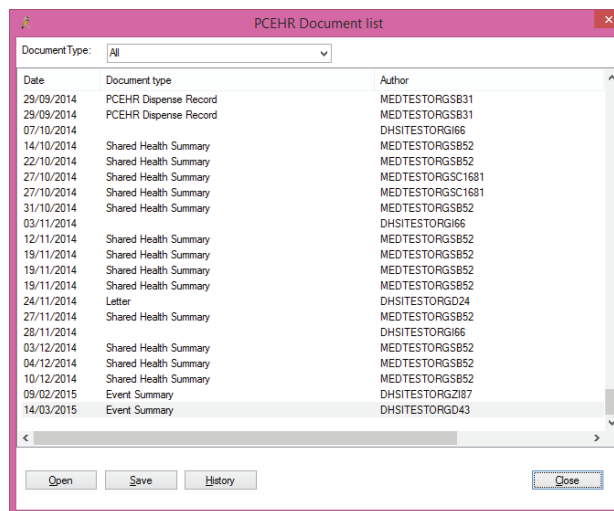

- You and your practice are set up for using eHealth
Speak to your Practice Manager or go to: <http://www.nehta.gov.au/get-started-with-ehealth/set-up> for more information
- You are able to access your patient's eHealth record:
 - Their Individual Healthcare Identifier (IHI) has been validated in your system.
 - The PCEHR icon in the top right of the patient window is Orange or Green.

1

Click the **PCEHR icon** on the top right of the Patient window

A list of documents may appear e.g. Shared Health Summary, Event Summary, Discharge Summary etc.

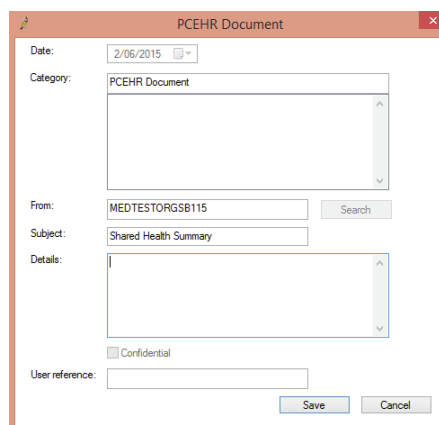

2

Select the document you wish to view and click **Open** to View.

OR

Select the document and click **Save** if you wish to download a copy.

Viewing an eHealth Record

3 Copy of document saved

Copies will be saved in Correspondence In.

Auto-notation is added in progress notes:
