

Viewing an eHealth Record

Before undertaking these steps, please ensure that:

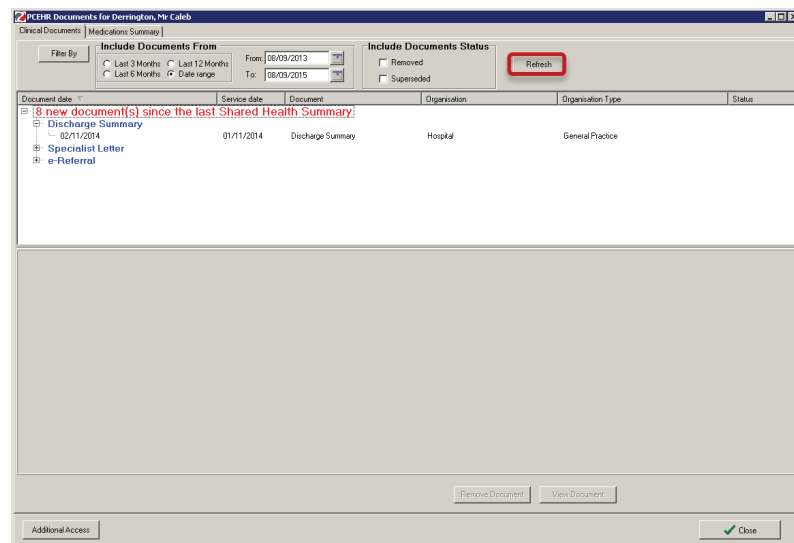

- You and your practice are set up for using eHealth
Speak to your Practice Manager or go to: <http://www.nehta.gov.au/get-started-with-ehealth/set-up> for more information.
- You are able to access your patient's eHealth Record:
 - Their Individual Healthcare Identifier (IHI) has been validated in your system.
 - The eHealth Icon in the Patient Tool Bar is Orange or Green.

1

In your patient's record within the Clinical Records module, click the **eHealth** icon

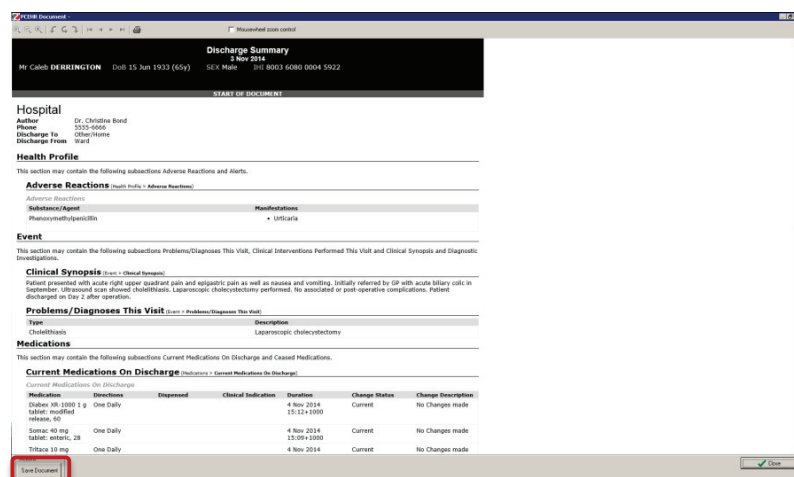

In the **PCEHR Documents** window, click on **Refresh** to list the documents available in the patient's eHealth record.

2

Select the document you wish to view and click **View Document** to display the document in full screen.

To download a copy, click **Save Document**. You will be notified of successful save.

Viewing an eHealth Record

3 Copy of document saved

Copies are saved under 'Incoming Documents' in the Summary Views.
